**Public Reporting of District Status**  
**State Performance Plan and Annual Performance Report**  
**for School Year 2015-2016**

Indicator 14	Percent of youth who are no longer in secondary school, had IEPs in effect at the time they left school, and were: A. Enrolled in higher education within one year of leaving high school; B. Enrolled in higher education or competitively employed within one year of leaving high school; or C. Enrolled in higher education, competitively employed, enrolled in other education or training, or in some other type of employment within one year of leaving high school.											
State Target Data 2012-2013 through 2014-2015  <i>(Percent reported for each school year is based on students who exited the prior school year and responded to the interview.)</i>	A. Percentage of respondents enrolled in higher education within one year of leaving high school.				B. Percentage of respondents enrolled in higher education or competitively employed within one year of leaving high school.				C. Percentage of respondents enrolled in higher education, competitively employed, enrolled in other education or training, or in some other type of employment within one year of leaving high school.
